

圣地之痛

巴以冲突亲历记

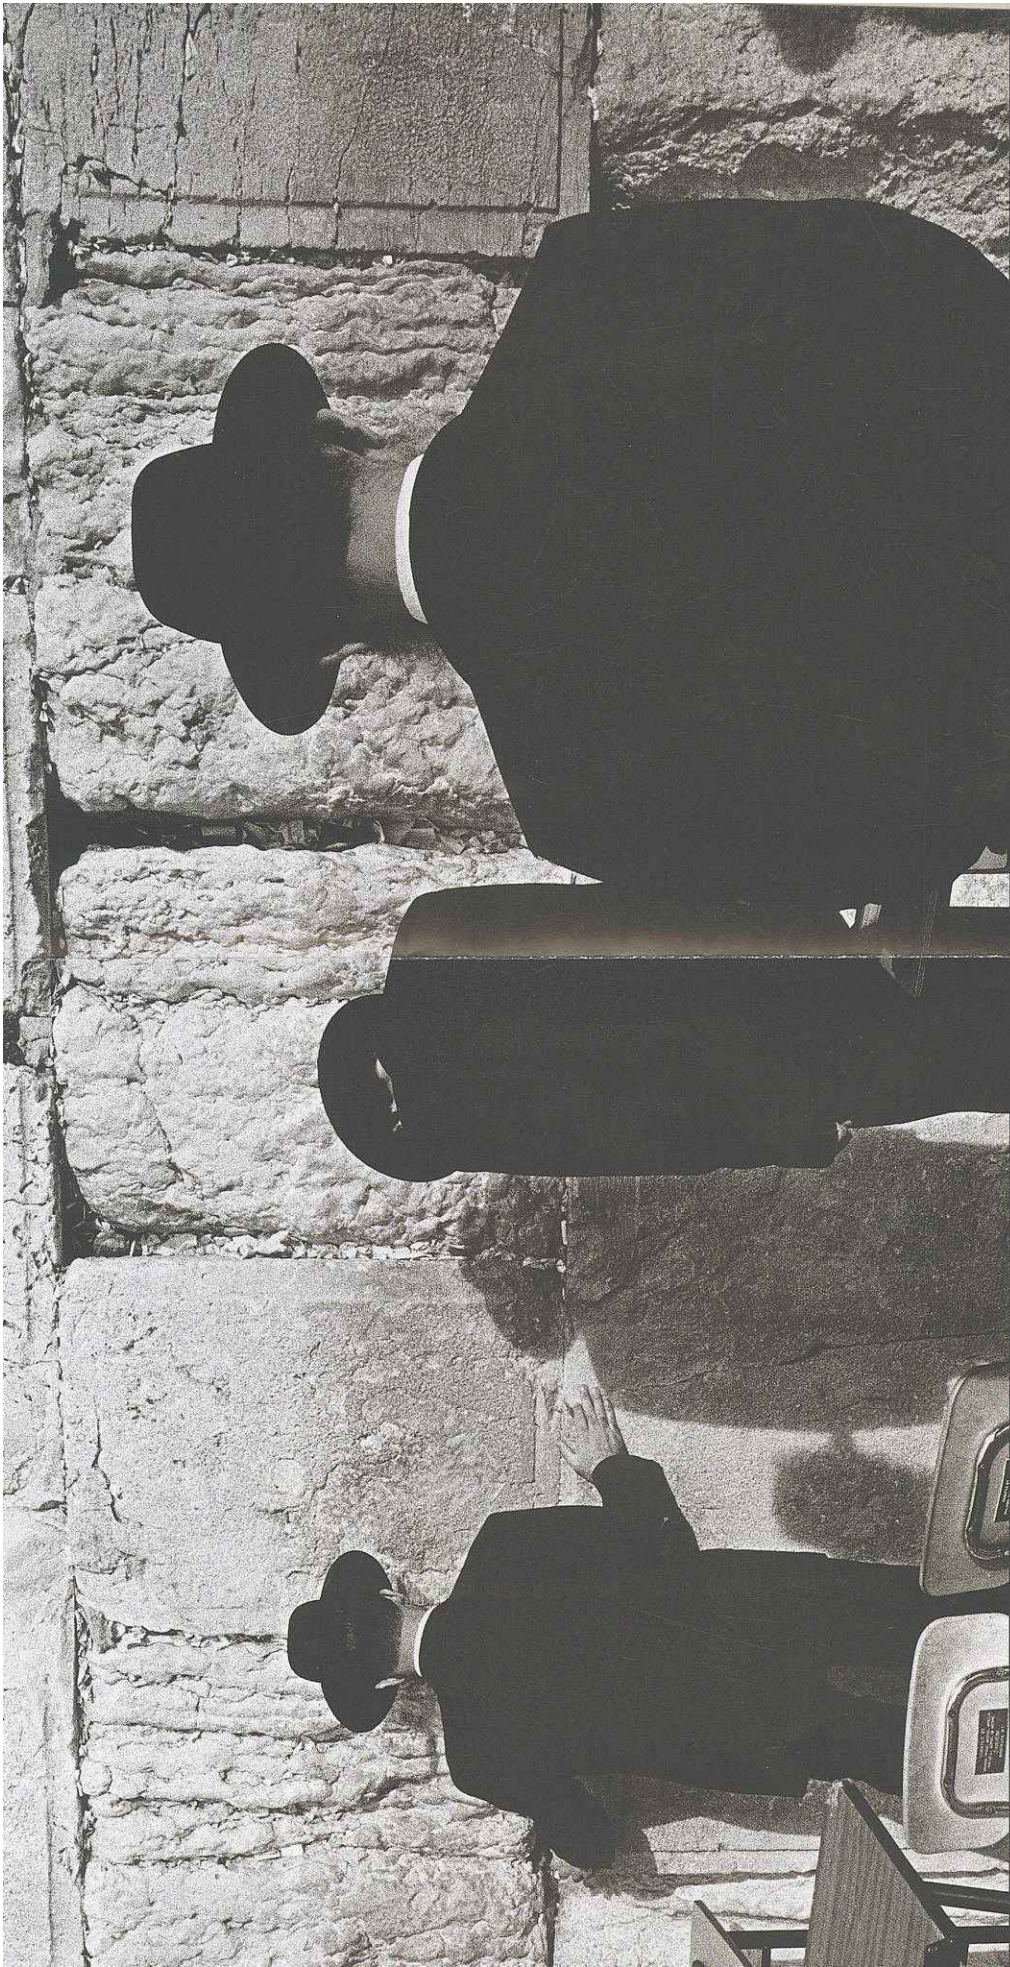

策划/本刊编辑部 撰文/高磊 吴冰冰 摄影/高磊 执行/雷东军

巴勒斯坦位于亚非欧三大洲交会处，在人类文明史上曾经屡次被动荡和战争撕裂。尽管经科学研究证实，犹太人与阿拉伯人在语言和民族上的确有亲缘关系，尽管耶路撒冷是犹太教、基督教和伊斯兰教三大宗教的圣地，然而在历经1300年的宽容以后，到了20世纪，两个民族最终因土地的争端而点燃了仇恨的导火线。

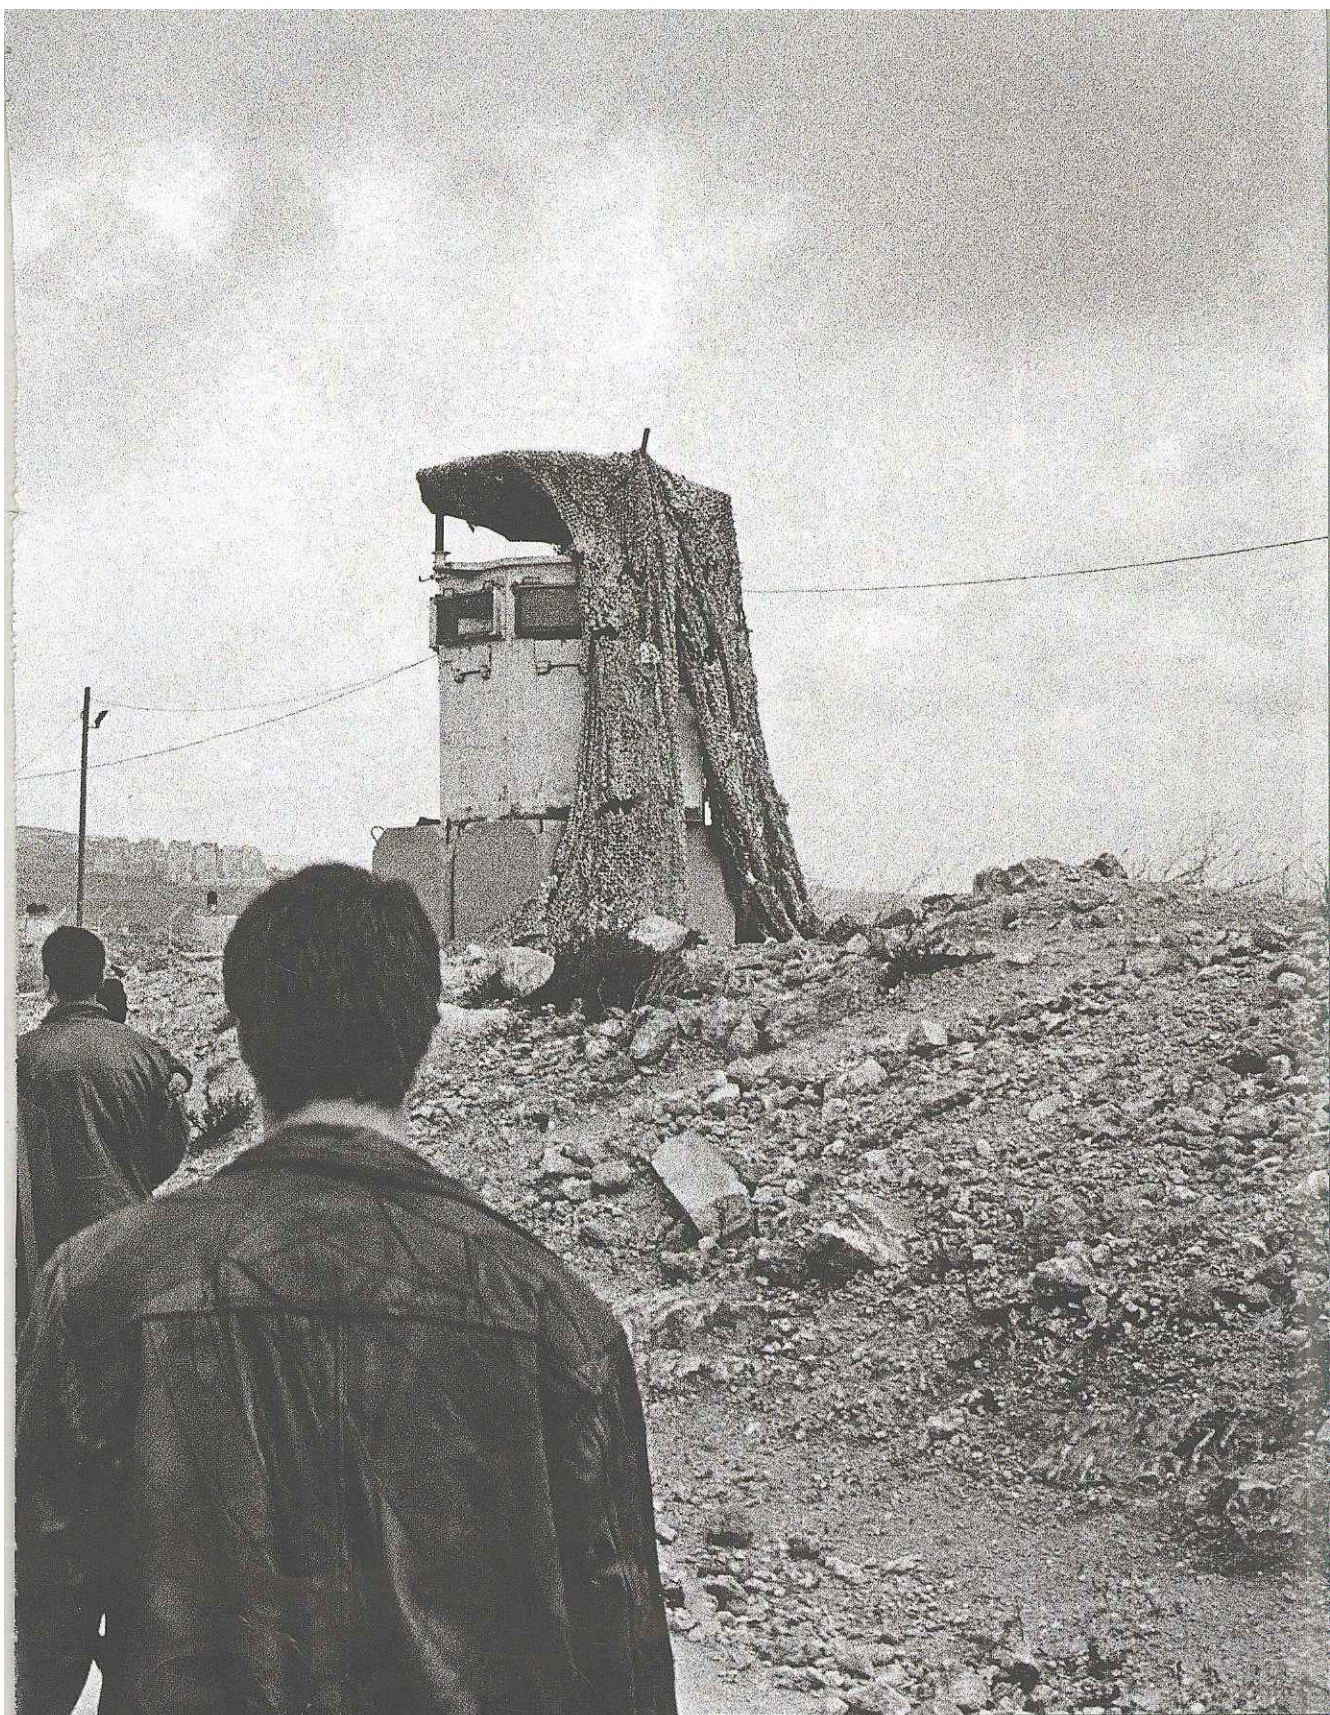

作为中国第一个无后援进入加沙的自由摄影师，高磊冒着生命危险，亲历冲突第一线，见证了一幕幕灵魂与肉体的痛苦挣扎……

通往约旦河西岸巴勒斯坦的**军事检查站——克朗第亚检查站。**

- 24 **The Mystery of Pterosaurs** When dinosaurs dominated the land of the earth, pterosaurs were the king of the sky. They had lived on the earth for over 100 million years, yet becoming extinct 65 million years ago. The first pterosaur fossils discovered in 1784 has started human's hard and persistent exploration on the animal.
- 36 **Offshore Oil: A Temptation Hard to Resist** It's very likely that this area is rich in oil and gas resources. Since the 1960s, the offshore oil industry has become a major energy source in China.
- 60 **Siwa-the Mystic Oasis** Two thirds of Egypt is covered by desert. A string of oases sprinkle on the desert, and among them is the most legendary Siwa Oasis. It has been styled as a fairyland since ancient times.
- 74 **Qinghai Lake: Another Luobu Lake?** It's predicted that if no protective measures are taken, the Qinghai Lake will "evaporate" and dry up sooner or later, just as what happened to the Luobu Lake in the last century. Through hundreds of field investigations, I realized that this prediction was not an exaggeration at all.
- 88 **The Sore in the Holy Place** Located in the meeting point of Asia, Africa and Europe, Palestine has experienced numerous wars and upheavals. Despite the dangerous situation and without any support, Gao Lei came to the Gaza Strip as the first Chinese freelance photographer to witness the anguishes caused by wars.
- 124 **The Excavation Log of The Jiuliandun-Tombs of the ancient Chu Kingdom** From September to December 2002, the Hubei Provincial Archaeology Institute mobilized archaeologists throughout the province to excavate the No. 1 and 2 tombs and obtained large amounts of invaluable cultural relics.
- 136 **An Old-style Private School in Pingjiang** In Pingjiang City of Hunan Province, an old man has run an old-style private school for dozens of years, teaching classical Confucian works. Despite small enrollment, his school has managed to survive till today.
